

Saint Germain's Children Foundation

Summary: Our sponsored children and youth at a Hogar in Bogota.

Large photo: Near Christmas, Jeffrey distributed his mother's "fluffies"-- when she visited him in Colombia--to the girls. They had a big party with cake, and a beautiful Christmas tree. They received previously by airfreight two large boxes for Christmas with at least two presents for each child from SGCF, plus educational and practical items for all the girls.
